Sir,

In reply to your docket No: Nil dated 18th June 1902, I have the honor to state — that I had no intention whatever to call in question any delay on the part of the Inspector General, or Government, in the matter. The delay was principally in the receipt of the statement from Bombay, and its return there, to ascertain particulars. I deprecated further delay. On the other hand the — omissions in the form were of no real im-portance, and I therefore ventured to — suggest that the form should be submitted to the Government of India, as it stood. —

Column 8 of the statement has been already filled up, and the further — information required in queries 4 and 5 could have been submitted to Govern-ment later on. —
